Dimensions:

Connection scheme:

Attention!:

The maximum number of modules connected in one chain is 20 pcs! In case of use of the larger number of modules, please connect them to power supply separate cables (parallel connection of chains).

| PARAMETERS | MINI PANORAMA |
|----------------------------------|--|
| Rated power/ fprwarding current | 1W/183mA |
| Voltage | 12V/24V |
| Luminus flux (lm) | 100 lm |
| Light efficiency (lm/W) | 100 lm/W |
| Beam angle | 175° |
| Color temperature | 3000K, 4000K, 5000K, 6500K, 7000K, 8000K |
| Operating temperature | -20° C ~ 50° C |
| Dimensions Lx W x H (mm) | 30x21x7mm |
| Module spacing (mm) | 172mm |
| LED | 3020 |
| Constant current drive | integrated |
| IP rating | IP 65 |
| LED lifespan | 50 000 h |
| Maximum quantity in single chain | 20 pcs |
| Warranty | 5 year |
